SHORT DESCRIPTION
<p>OX-ON Mask FFP2NR D w/Valve Comfort is the safety approved single-use mask with valve, which you can use when working with hazardous dry particles and liquid aerosols with a Workplace Exposure Limit <5 mg/m³. You can, among other things, use the mask when you are grinding wood, metal, stone plastic, and lead/copper-free paint as well as water-based colour spray paint.</p> <p>Built into the mask you have a valve, which effectively reduces moisture and heat.</p> <p>The mouldable aluminium nose bridge gives you an optimal adaptation of the mask around your nose.</p> <p>10 pcs. masks per box.</p>
